Dear friends of Sparklette,

Persimmon is a restaurant I have dined at and loved. Housed in a unique location, it has an even more unique menu of European meets Singaporean. Having enjoyed the food there, I knew I had to share it with my readers.

From now, simply mention the magic word "Sparklette" at Persimmon to enjoy the following:

- 15% off ala carte menu (all day)
- Sparklette set menu 4 courses for \$35 (dinner)

So go ahead! Enjoy your meal:)

Much love, Veron http://sparklette.net
